### About:

The Statutory Grievance Redressal Committee is formed as per the norms of AICTE act clause 1 of section 23. The committee has been framed to provide transparency to the stakeholders in regards with imparting a fair technical education. It provides open platform for the students and staff get their grievances solved through request and discussion as applicable. The committee shall develop an online platform for the students to lodge their grievances or complaints to the college authorities on any subject related to services offered to them. The committee shall provide an environment where grievances are expressed without fear or victimisation. A clear, well defined and structured process of grievance redressal shall be maintained. The committee shall also ensure fair and speedy redressal of grievances.

### Procedure:

- The Grievance Redressal Committee will consider the grievances or problems of students and staff through application only.
- The application can be sent online to the Principals email: [principal.rvitm@rvei.edu.in](mailto:principal.rvitm@rvei.edu.in)
- Necessary enquiry will be made with the help of committee members and issues will be sorted out either through discussion, suggesting remedial measures like cancelling, penalty or other actions with the approval of committee chairman.
- The women grievances will be received and addressed by the women faculty members only.
- All the necessary documentation regarding each complaint received will be recorded and documented.

Principal  
Dr. Nagashettappa Biradar
