The Department of Mechanical Engineering has organized a guest lecture on “**Design of Drone and its Applications**” on 09.01.2024 (Tuesday) for third and final year students of Mechanical Engineering in First Floor Seminar Hall (L1-17), RVITM. We invited Dr. Chandran Gajendran, Managing Director, OSYS Technologies (P) Limited, Bengaluru. The inauguration was conducted at 11.00 am in first floor seminar hall with welcome address, chief guest introduction, presidential address, keynote address and vote of thanks. The guest lecture for the students has been conducted and topic is “**Design of Drone and its applications**”. Around 50 students, staff and faculty members were presented for the lecture with an excellent involvement of students with guest. The speaker spoke about the importance of Drones related PPT images and videos. At the end of the program, photograph of the technical talk and written feed-back was taken and everyone had given excellent feedback about the workshop. Finally, the session was held at 12.50 pm in first floor seminar hall.
