TVS Motors, established in 1978, is the flagship company of the TVS Group, one of India's largest industrial conglomerates. It operates across various segments including two-wheelers, three-wheelers, and aftermarket products. The company's commitment to technological advancement and sustainability has propelled its growth and strengthened its position in the market. TVS Motor Company is a reputed two and three-wheeler manufacturer globally, championing progress through Sustainable Mobility with four state-of-the-art manufacturing facilities in Hosur, Mysuru and Nalagarh in India and Karawang in Indonesia. TVS has only two-wheeler company to have received the prestigious Deming Prize. Our subsidiaries in the personal e-mobility space, Swiss E-Mobility Group (SEMG) and EGO Movement have a leading position in the e-bike market in Switzerland. TVS Motor Company endeavours to deliver the most superior customer experience across 80 countries in which we operate.

The visit was organised by Dr. Ramesh S and Dr. Gajanan M Naik, the session between the Ms. Tejaswini of the TVS Motors and the students of RVITM began at 1:30 Pm with the brief introduction of the Company with their experience in their specialization, about the plant information and explained safety measurement until 2 PM.
