Department of Information Science Engineering

Report on : U&I Workshop on AICTE Activities

Event Name	**U&I Workshop**
Theme	AICTE Activity Points
Date	22nd May 2024 (10:45am to 12:30pm)
Venue	6th floor Auditorium, RVITM Campus

The Information Science and Engineering department organized a workshop on "AICTE Activities under U&I" on May 22, 2024. The event aimed to raise awareness about the various initiatives undertaken by U&I in collaboration with the All India Council for Technical Education (AICTE) and their impact on education and societal development.
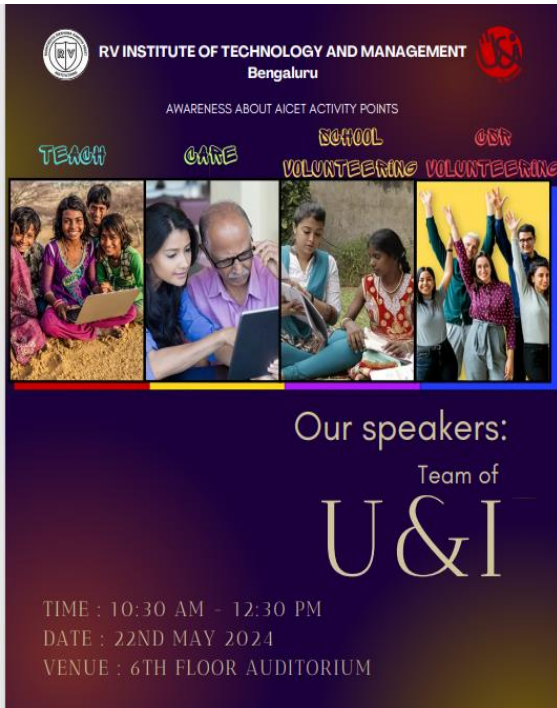

Objective:

The primary objective of the talk was to educate the target participants, including 2nd, 4th, and 6th-semester students from all departments, abou the AICTE activities facilitated by U&I. These activities encompass a range of initiatives aimed at enhancing educational quality, fostering innovation, and promoting inclusivity.

Program Highlights:

The event commenced with an introduction to U&I and its mission to empower under privileged children and special needs individuals through education and care programs. Speakers elaborated on the Teach program, which reaches over 1500 children across 110+ Learning Centers in 35 cities in India. Additionally, insights were provided into the Care program, which offers institutional care for special needs individuals and children through four state homes.

Key Focus Areas:

Awareness about AICTE Activity Points: The talk shed light on the importance of AICTE activity points and how they contribute to the holistic development of students. Participants gained a comprehensive understanding of the various activities recognized by AICTE and their significance in shaping a well-rounded educational experience.
