Event Overview:

FantomCode 2024, organized by the ISE department of RVITM, was a highly successful 24-hour hackathon centered around the theme of open innovation. This event attracted a diverse group of participants from across India, including teams from prestigious institutions like IITs and NITs. The hackathon consisted of two rounds, starting with an online ideation round on 11th May 2024, followed by an intense 24-hour implementation round on 16th and 17th May 2024.

Round 1: Online Ideation Round (11th May 2024)

The first round of FantomCode 2024 was an online ideation phase where over 64 teams presented their innovative ideas to a jury. This round was highly competitive, showcasing a wide range of creative solutions. After careful evaluation, 20 teams were selected to advance to the next round.

Round 2: Implementation Round (16th-17th May 2024)

The second round took place over 24 hours at the RVITM campus. The event was inaugurated by esteemed chief guests, Priya Sathya, Mrs. India Universe 2021, and Rajesh S, Director of KC Overseas Education Pvt Ltd. The atmosphere was charged with excitement and anticipation as the selected teams began their intense coding sessions to develop their projects.
