SKILL ENHANCEMENT WORKSHOP

RV Institute of Technology and Management (RVITM) and National Digital Library of India (NDLI) Organized a one-day webinar on “Scope of Management Studies in Engineering Stream” on 20.05.2022 (Friday) from 12.20 PM to 01.20 PM in virtual mode (google meet). The webinar was started with welcome address. The welcome address was proposed by Dr. C. Solaimuthu, Head of Mechanical Engineering, RVITM. The webinar talk was presented by Dr. Renukananda K H, Assistant Professor, Department of Mechanical Engineering, RVITM. More than 150 participants have participated including faculty members, staff members and higher semester students and gained the knowledge by attending the webinar. The various department co-ordinators, Dr. Priyaranjan Sharma, AP/ME, Dr. Deepak N A, Associate Professor/CSE, Mr. Deepak D J, AP/ISE and Dr. Nagaraja, Librarian participated and co-ordinated very well. This webinar was completed by Vote of Thanks. It was proposed by Dr. Priyaranjan Sharma, Assistant Professor, Department of Mechanical Engineering, RVITM. At the end of the webinar, feed-back was taken. Almost all the participants have given very good feed-back about the topic and presenter.
