Departmental Achievements	<p>✓ Technical talk on “Generative AI in health care and Edge Devices” was delivered by Mr. Sri Vasireddy, CEO Rean Foundation 24th January. Mr. Vasireddy's insightful presentation, "Generative AI in Healthcare and Edge Devices," shed light on the transformative potential of AI in revolutionising medical care. The audience, captivated by his vision, engaged in lively discussions as they delved into the possibilities of personalised treatment plans, early disease detection, and AI-powered wearables.</p> <p>✓ Conducted a free nikki build platform for 6th semester ECE students on May 12th, 2023 at 12:20 PM to 1:30 PM by Arun Kumar, CEO and Founder Nikki Build EdTech Private Limited. Focussed on solving real world problems using different technologies and open source libraries such as Implementation of a security system, Controlling smart devices using voice/ gesture/ smart phone, Application of AI in Industrial Robotics, Communication between</p>				

microcontrollers and different programming languages and integration of external Bluetooth devices like pulse oximeter with a simple JavaScript program using open-source libraries and much more.

- ✓ Industrial visit to U R Rao Satellite Centre, ISRO, Bangalore. Students visited along with the faculty members on 5th Dec, 23
- ✓ Phoenix Robotics Club at RV Institute of Technology and Management organized a transformative workshop on the 25th of October, 2023, to explore the exciting domains of programming and robotics. The heart of the event was the captivating demonstrations of Arduino and programming. Participants were shown how to work with Arduino, write code, and create their own projects. This hands-on experience ignited a newfound passion for robotics and programming, leaving students inspired and eager to explore the endless possibilities in the tech world.
- ✓ Interpersonal Skills: “Unlocking your Inner Potential” This event provided the overview of requisites for placement preparation for Electronics & Communication Engineering students for their career. The main objective of the event is to serve as guide, providing valuable insights and practical strategies to awaken your inner potential and open the doors to personal growth.
- ✓ On 2nd of Feb, 24 (Friday), students from third-semester Electronics and Communication Engineering (ECE), RV Institute of Technology and Management embarked on an industrial visit to the Centre for Nanoscience and Engineering (CeNSE) at the Indian Institute of Science (IISc). The purpose of the visit was to provide students with firsthand exposure to nanofabrication technologies and their applications in various domains.
- ✓ IEEE Student Branch of RVITM organized an Inter College Poster Design and Debate Contest on September 1st 2023 in 3rd floor DSD lab and 6th floor seminar hall.
- ✓ Electronics and Communication Department organized Faculty Development Program on VLSI IC Design and Avenues of Interdisciplinary Research from 27th Feb 2023 to 3rd March 2023. People from premier Academic institutions and Industries were invited as resource persons. 22 participants comprising of Faculties from neighbouring engineering colleges and In-house faculty members attended the program.
- ✓ The 5G test bed laboratory visit to Indian Institute of Science, Bangalore on 30th March by faculties. The aim of the Lab visit is to get practical knowledge on how to set up the equipment in the 5G test bed laboratory, Signal processing and related aspects research project, Massive MIMO communications, beyond 5G. The setup of the laboratory was well explained by Chandra R. Murthy, Sudhakar Balijepalli, Professor in the Department of Electrical Communication Engineering at the IISc, Bangalore.
- ✓ Department of Electronics and Communication Engineering organized International Conference on The Confluence of Advancements in Robotics, Vision and Interdisciplinary Technology Management IC-RVITM’23 on 28th & 29th November 2023. The IC-RVITM’23 was technically sponsored by IEEE Bangalore Section and organized under the banner of IEEE RVITM Student Branch. The conference received around 200+ research papers and 69 (33%) papers have been shortlisted for presentation. All the papers were published in IEEE Xplore indexed in SCOPUS.
- ✓ Regularly Conducting Webinars and Faculty Development Programmes since inception.
- ✓ Conducted hands-on workshop on Latex to students and staff of RVITM.

INFRASTRUCTURE / FACILITIES

Name	Area Sqm	Photo
Class Room – III Year (UG)	80	 A photograph of a classroom for III Year (UG) students. The room features a checkered floor, rows of desks and chairs, and a front wall with a green chalkboard and a whiteboard. Several students are seated at their desks, facing the front of the room.
Class Room – IV Year (UG)	80	 A photograph of a classroom for IV Year (UG) students. The room has a checkered floor and rows of desks. A teacher is standing at the front, pointing at a screen. Students are seated at their desks, looking towards the front.
CADE Lab	169	 A photograph of the CADE Lab. The room is large and well-lit, with rows of desks and chairs. There are several computer monitors and equipment on the desks. The floor is checkered, and there are some items on the floor in the foreground.

<p>Material Testing Lab</p>	<p>108</p>	 A green universal testing machine (UTM) is the central focus, featuring a large vertical column and a crosshead with a load cell. To its right is a green control cabinet with a digital display and various buttons. The machine is situated in a clean, well-lit laboratory with a white wall and a concrete floor.
<p>Manufacturing Processes Lab</p>	<p>108</p>	 A circular white table is the centerpiece, surrounded by various manufacturing tools and materials. On the table, there is a large pile of brown powder, a small furnace, and other equipment. In the foreground, there is a green and white bucket, a black anvil, and several small black blocks. The background shows a laboratory counter with various bottles and equipment.
<p>Introduction to Modelling and Design for Manufacturing Lab</p>	<p>131</p>	 A computer lab with rows of desks and chairs. Each desk is equipped with a computer monitor and keyboard. The room has a white ceiling with recessed lighting and a white wall. There are several posters or notices on the wall. The floor is a light-colored tile.

Reminiscences of Sambhram'19

A celebration of Ethnicity

“A creative man is motivated by the desire to achieve and not by the desire to beat others. Accept the challenge so that you can feel the exhilaration of victory.” The ecstasy, the roar of the crowd! It was not just a day of festivity, but was the beginning of the holistic growth of our institution, adhering our oath towards success. Being the humble beginners, an auspicious hallmark of this premier institution, a brand of this great stature, we were bestowed with the privilege to start something special, **“Sambhram”** a celebration of ethnicity. Our very own Cultural fest. A mark in the calendar, which made sure thousands of students would go on to eagerly exclaim *“Oh! It’s that time of the year again”* for years to come.

Why go ethnic? It’s because, Ethnicity enriches us, makes us unique in our own diversity and it was an attempt to specially honour and uphold our culture and tradition. This is in tandem with the mantra of RV group of Institution which goes, *“With a rallying call which is both awaken and a benchmark, the call that will now be intrinsic to our RV brand, reflected in every thought, word and deed, across all colleges, all departments, all faculties and of course all students, the call to not only be susceptible for change, but to bethe change and more importantly to*

GO CHANGE THE WORLD”.

We attempted a least bit of it to start with. We understood every step gets more important as the time passes by, so the organising committee along with guidance of our beloved principal Dr Jayapal Sir and able support of teacher coordinators Dr Samrat Sir and Mrs Rakshitha Ma’am took this as a challenge. An event of this dimension cannot happen overnight. The wheels start rolling much in advance. We have been fortunate enough to have a motivated and dedicated student committee and volunteers. We burned the midnight oil, and termed the days leading up to the event as a “Sacrificial Stage” which indeed was evident in our damp eyes, but we had the will to make the raging fires seem meek.

All the students and teachers were excited for this day which was highlighted on their Sambhram invitations. The much awaited day; 21st of November 2019, finally arrived. A day to remember and cherish for aeons to come. The men were shimmering in their sherwanis and dhotis, while ladies looked beautiful in their sarees. A grand stage was set up to witness a plethora of talents. Meanwhile a member of the support staff who was just passing by asked me, “How have the students prepared in this short notice?”, "Do you think we RV’itians are un-prepared for anything?" I boasted. That was the confidence we had, have and will always have amongst our peers.

It was a pleasant morning and one could feel the glee and enthusiasm in the air. We had a long list of events lined up for both teachers as well for the students. In our deepest, darkest moments, what really gets us through is a prayer, so the day eventfully started off with the Invocation song by our college choir and was followed by lighting of the lamp by our Principal and Head(s) of all the Departments. Tradition is not the

worship of ashes, but the preservation of fire. We practice the age old custom of lighting the lamp before any celebrations because old ways are the surest and the safest, and only light can drive out darkness. Our Principal addressed the gathering and encouraged all the participants with his experienced words and formally declared Sambhram'19 Open!

Our college band started things off in style with melody and melancholy. What followed was a group song from teachers and students. Next up was Fashion show, what can I say about that? It was a show stopper! Which eventually crowned Mr and Ms Sambhram 2k19. Then came the marquee event, which we all were waiting for with bated breaths, MAD ADS. All the sections tried their level best to modulate their voices and promote their products, but guess what stood out? Our Shakeela's Tequila! The C section put up a hilarious advertisement which left the audience in splits. The organising committee had a thought, what could make our friends laugh? Then we came up with the idea of KIRIK PARTY feat RVIT staff, which thoroughly entertained the crowd. We had our friends coming up with dance performances to make the crowd go frenzy, because dance is the poetic bearing of soul through emotions and it is one of the most divine art forms, which marked the end of an amusing, entertaining and delightful day.

The events marked the beginning of the glory and spirit of our college, 'Thou shalt reap what you sow' was the proverb that came to my mind at the end of the day, and we all finally felt like the shackles were broken and we had finally arrived, maybe in the most fitting way. A day well spent, a day which would be cherished forever! Cheers! Until next time;

Topic	'SAMYAMA' Kannada Rajyotsava Program
Date	22-11-2019
Time& Venue	11:00 AM to 05:00 PM, RVITM
Guests	Dr Jayapal R, Principal RVITM Mr Pradeep Bogadi, Kannada Film actor Mr Mohammed Rafi, Physical Trainer (GYM) Mr Ambareesh K, Young Kannada Author
Session Coordinator	Dr. Durga Prasad. C Asst Prof. Dept. of ME

Event Summary

The Event '**Samyama**' was aired at 11:00 AM. **Mrs. Nirmala**(non-teaching staff) did the anchoring role of the event.

The Program started with Light Lamping ceremony by our Respected **Dr. Jayapal R. Principal Sir**,and the chief guests.

The **VIKRAMA** Kannada Vedike's Logo Launch was also one of the highlight.**Mrs. Chaitra** and **Ms. Arpitha** sung the '**NADAGEETHE**'. Our Chief Guests addressed the gathering about the Karnataka's cultural values and its tradition.

Principal and faculty coordinator of '**VIKRAMA**' Kannada Vedike**Dr. Durga Prasad** Csir felicitated the guests.

Akshay Kumar and Eshana from 'D' section were the hosts of our program.

Aishwarya from 'C' section performed '**BHARATANATYAM**' which signified the cultural background of Karnataka.

Supraj P Kashyap from 'B' section delivered a beautiful speech on our Kannada Language, Kannada Literature and Glorious Tales of Karnataka. Disha and Daksha from 'B' section sung the Medley of our Kannada songs '**RAGA-MILANA**'.

Supraj P Kashyap and Purushotham (non-teaching staff) enacted the legendary actor Dr. Rajkumar's '**Arjuna and Babruvahana**' war scene.

Supraj P Kashyap and team enacted '**DhwajaRakshane**' play which highlighted the Patriotism of our Kannadigas in the Freedom Struggle.

Purushotham and team enacted '**DhoomaRakshasa**' which indicated the worst effects of smoking. Eshana and Manikanta (B Section) entertained the audience with comedy-packed '**SulluVarthegalu**'.

'C' Section Team Enacted a Comedy Skit.

The Program came to an end with the Vote of Thanks by Supraj P Kashyap.

Finally at the end, an open stage 'Kannada DJ' was conducted. Some of cherish moments are captured and inserted below

Program started with blessings of **Thayi Kannadambe**

RVITM ACADEMIC CLUBS

NAME	CO – ORDINATORS	DESCRIPTION	DATE
Pheonix Robotic Club	Faculty Coordinator Dr. Nataraj V Prof.Deepak D J Student Coordinator Vishnuvardhana Reddy K Sai Sudeer	Pheonix Robotics Club is a student-led body that promotes robotics among students of all branches of engineering. Started in 2019, the club has grown immensely on campus within a short time period byorganising a broad range of robotics-related workshopsand events. Pheonix represented RVITM at IIT Hyderabad’s tech fest and secured the 7th position in its first-ever robotics competition.	October 2019
Magazine Club	Faculty Coordinator Dr. Samrat Student Coordinator Sameera S Vasista Sirisha Arava	The Magazine Club was launched in 2019 to promote the spirit of literary arts among students. Today, the club is a creative outlet for students and staff members to share their ideas and opinions with the world. RVITM’s annual magazine ‘Anveshana’ is a brainchild of the Magazine Club. It features students’ work and highlights all their achievements every year.	November 2019

Science Club	Faculty Coordinator Dr. Srinath Student Coordinator Syed Ibrahim Maaz	RVITM's Science Club is a one-of-a-kind platform that encourages students to pursue their scientific interests outside of the classroom environment. The club hosts various scientific, research-related events that promote team building, problem-solving abilities, and creativity among its members, giving them practical learning experiences. Under the mentorship of our experienced faculty members, students in the club are set for professional success.	November 2019
Cultural Club	Faculty Coordinator Dr. Srinath Student Coordinator Labhya S Sameera S Vasista Sirisha Arava	Be it singing, dance, or theatre — our Cultural Club is all about uncovering and nurturing the hidden talents of our students. The club single-handedly hosts 'Sambhram' — RVITM's cultural day, where students get to showcase their talents on-stage. The club's aim is to help students develop self-confidence and make memories for a lifetime.	November 2019
E- Cell	Faculty Coordinator Dr. Durga Prasad C Student Coordinators Keril Patel Autri Acharyya	We believe that a single idea can lead to many great and exciting opportunities if it gets proper mentoring, consultancy and networking with the industry. We also believe that Entrepreneurship is also a route towards the country's socio-economic development.	November 2020
Coding Club	Faculty Coordinator Prof. Deepak D J Student Coordinators B.R Srinivas prajwal	Our Coding Club is a great opportunity for budding programmers to hone their foundational concepts and develop deep analytical and reasoning skills. The club helps interested students learn the latest programming languages, preparing them for a successful industry career.	November 2020

Rudra	Faculty Coordinator Dr. Lokesh Dt. Durga Prasad C Student Coordinators B.R Srinivas prajwal	RUDRA (Renewable Urja Development & Research Association) is a student association or club. It was inaugurated on 15th July 2021 at RV Institute of Technology and Management Bangalore. The main objective of the club to focus on usage renewable energy sources. It also focusses of energy conservation and various conversion technologies. The various research and developments activities are planned in the area of energy sector under this association or club. The present need of energy can be encountered by using eco-friendly energy resources.	July 2021
Vikrama Kannada Sanga' Club	Faculty Coordinator Dr. Hareesh Kumar Student Coordinator Supraj Kashyap Akshay Kumar Mohan Eshaana Udupa	To raise awareness about Kannada cultural diversity in the Institute. This will help our younger generation to showcase our traditional values. On the other hand, as per VTU Kannada subject is mandatory for Non-Kannadiga students in the second year of Engineering, from this point of view, this club will be helpful for them to learn our language.	Sep 2019
Aegis	Faculty Coordinator Dr. Niharika Prasanna Kumar Student Coordinator Kishore	AEGIS is an enthusiastic student organization inaugurated on 14th December 2022 dedicated to creating a solid foundation in the areas of Cyber Security and Ethical Hacking. We strive to unite individuals with similar perspectives and values to form productive networks that help each other grow and excel. Our purpose is to explore the complexities of the cyber world in a manner that upholds ethical and moral codes. With the help of experienced and knowledgeable mentors, we are confident that we can achieve great success.	Dec 2022
