

Department of Electronics & Communication Engineering

Invited Expert Talk on Latest Trends in Artificial Intelligence

**Objectives
of the**

Event Name	Expert Talk on Securing the Digital Frontier: Deep Dive into Cybersecurity
Theme	Invited Talk
Date	24/03/2026
Venue	Seminar Hall 1 st floor
Gap Addressed	Gap 2
Justification/Reason	To strengthen communication, professional awareness, and industry readiness by providing insights into cybersecurity practices, ethical hacking, and data protection in real-world scenarios.
Mapped POs/PSOs	PO8 – Ethics, PO9 – Individual and Team Work, PO10 – Communication,

Program/Event:

- To create awareness about cybersecurity threats and vulnerabilities.
- To introduce concepts of ethical hacking and data protection.
- To bridge the gap between academic knowledge and industry practices.
- To enhance students' preparedness for careers in cybersecurity.

Purpose:

To provide practical exposure to cybersecurity concepts and promote awareness of secure digital practices among students and faculty.

About the Topic: The following topics were covered:

- Overview of cybersecurity and emerging threats
- Common vulnerabilities in digital systems
- Ethical hacking techniques and practices
- Data protection strategies and industry standards

Resource Person: Mr. Chaitanya, Senior Systems Manager, Continental AG
Coordinator:

RV Institute of Technology and Management®

Sy. No. 171/5, Kothanur, 8th Phase, JP Nagar,
Bengaluru - 560076, Karnataka, India

Affiliated to Visvesvaraya Technological
University, Belagavi

Approved by AICTE, New Delhi and
Government of Karnataka

Department of Electronics & Communication Engineering

Dr. Venu Gopal B T

Preferably Measurable outcomes:

- Increased awareness of cybersecurity threats and prevention techniques.
- Improved understanding of ethical hacking and data protection methods.
- Enhanced interest in cybersecurity-related careers and certifications.
- Better ability to apply theoretical knowledge to real-world security challenges.

RV Institute of Technology and Management

Department of Electronics and Communications ENGG.
in association with NSS unit
presents:

SECURING THE DIGITAL FRONTIER: DEEP DIVE INTO CYBERSECURITY

SESSION OVERVIEW :

- A focused workshop on modern cybersecurity challenges. Explores threats, vulnerabilities, and defense strategies.
- Introduces ethical hacking and real-world attack scenarios. Emphasizes data protection and digital privacy.
- Digital security . A deep dive into securing today's digital frontier.

SPEAKER :

Chaitanya
Senior systems manager,
Continental AG

24th March, 2026
9:30 AM

Venue -
1st Floor Seminar Hall,
RVITM

UNDER THE GRACIOUS PRESENCE OF

Dr Nagashettappa Biradar
Principal , RVITM

Dr Manjunath Prasad R
Vice Principal , RVITM

Under the Coordination of:

Dr Lokesh B Paradeshi
NSS Officer - I , RVITM

Prof. Abhaykumar S Inchal
NSS Officer -II, RVITM

Faculty Co-ordinators :

Prof Krupesha D
Asst. Prof. RVITM

Dr Venugopal B T
Asst. Prof. RVITM

Student Coordinators:

Mr Uday Gowda B **Mr Shashwath**
