J.P.Nagar 8th phase. Bangalore

Department of Electronics and Communication Engineering

Event Name	ECE PROJECT EXPO
Theme	Project Expo
Date	13/06/2025
Venue	L3-16

Objectives of the Event:

The primary objective of the ECE Project Expo is to provide a platform for students to showcase their innovative projects, apply theoretical knowledge to practical problems, and enhance their technical, presentation, and teamwork skills. The expo encourages creativity, fosters a spirit of innovation, and promotes peer learning.

- Encourage students to translate classroom learning into practical applications.
- Foster innovation and creativity in designing electronic and communication systems.
- Provide a platform for students to exhibit their technical skills and project outcomes.
- Promote collaborative learning, peer interaction, and constructive feedback.

Faculty Coordinator: Dr. Kavitha N, Assistant Professor, Dept of ECE, RVITM.

POs addressed: PO5, PO6, PO9, PO10

About the Event:

The following topics were covered.

- The expo focuses on showcasing innovative projects
- Demonstrating the students' ability to apply engineering concepts effectively

Addressing the GAP:

- Interpersonal Skills
- Nurturing of Talent

Preferable Measurable outcomes:

- Total number of completed and demonstrated projects during the expo.
- The expo serves as a platform for students to present their work, receive feedback, and gain exposure to current trends.
- Percentage of teams that submitted complete and technically sound project reports.
