ABOUT RSST

RV Educational Institutions (RVEI) managed by Rasthreeya Sikshana Samithi Trust (RSST) envision fostering innovative learning, instilling a spirit of inquiry, presenting healthy challenges, encouraging sustainable accomplishments, and guaranteeing enriching rewards for all stakeholders.

According to RSST, Education is essential for everyone to achieve their goals, regardless of social class. Following this conviction, in 1940, Sri. M. C. Sivananda Sarma, a well-known independence fighter, educator, and administrator, founded RV Educational Institutions. With 20 colleges and more than 20,000 students, RV is currently one of India's largest educational consortiums. In order to carry out the goal of fostering an environment of active learning, RSST built one of its most ambitious initiatives, the RV Institute of Technology & Management in 2019.

ABOUT RVITM

RV Institute of Technology and Management (RVITM) is a premier institute under RV Educational Institutions with a single vision - to prepare students for the world beyond classrooms. RVITM offers four undergraduate programs in CSE, ECE, ISE, and CSE(AI&ML), and one Post graduate program in MCA. RVITM promotes experiential learning through an ICT-enabled curriculum and state-of-the-art infrastructure. RVITM is affiliated with VTU, Belagavi, approved by the Gok & AICTE. RVITM provides a perfect learning environment with state-of-the-art infrastructure, and highly motivated and dedicated faculty members backed by VTU Curriculum which focuses on NEP-2020. RVITM engages in organizing technical and non-technical events, including Hackathons, FDPs, Workshops, and Project Exhibitions, fostering holistic education. Instilling a culture of lifelong learning and industry readiness, the institute has achieved a remarkable 90% placement rate, with the highest offer at 40 LPA. RVITM promotes research culture among the students through Research Centers.

OUR VISION

To impart top-quality technical education with global competence and societal commitment, leading to breakthrough innovations.

OUR MISSION

Our mission is to nurture passionate engineers through experiential learning by providing state-of-the-art infrastructure, and ICT-enabled education.
